Who we are.

Betterhomes is the number 1 brokerage in the UAE, and the largest and longest-standing real estate firm in the country. Having begun in residential leasing, Betterhomes now offers residential sales, a commercial sales and leasing division, property management and short-term rentals. Every day, our agents look for ways to bring new and better services to clients so that we will retain our position as the UAE's market leading real estate company.

The Betterhomes group is expanding and comprises three companies: Betterhomes, CRC and Ascot & Co.

CRC is Betterhomes' specialised commercial real estate consultancy. CRC caters for both international and local clients who are seeking increased value by selling, leasing or investing in commercial property. A network of industry professionals united in passion for real estate who are trusted insiders, advisors and friends to their clients. CRC is a market leader in commercial real estate, and its agents are all property experts, who understand the business of commercial real estate and the latest market trends. CRC combines deep expertise with a technology-forward platform to offer an intelligent, seamless experience. Following CRC's successful launch, CRC Valuations was formed to offer valuation and consultancy services for all asset classes throughout the UAE.

Ascot & Co is a UK-style agency for Dubai property. Acquired by Betterhomes in 2019, Ascot & Co focuses on creating long-lasting relationships with a smaller portfolio of clients and providing a friendly, tailor-made service for each one. With 25 years of experience in the UK and Dubai property markets and trusted in-house experts, Ascot & Co are able to help clients at every turn from mortgages to conveyancing. The focus is primarily on villas, and agents help clients with rentals, sales, off plan and investments, property management, free valuations and information about the communities and areas in Dubai.

At Betterhomes, CRC and Ascot & Co every employee has the opportunity to succeed and grow alongside the business. We encourage each of our colleagues to develop their skills, hit their goals and fulfil their aspirations.

We are looking for hardworking and ambitious individuals with a proven track record in sales to be part of our continued growth and success in 2020.
